

SUPERINTENDENTS OF HEALTH WILL BE PAID IF SENATE BILL STANDS

Body Appropriates \$40,000 for That Purpose in Amendment to Omnibus Bill—Democrats Kill the Bill Providing for Instruction on Life of Lincoln in Schools

SPRINGFIELD, Ill., June 11.—By a vote of 22 to 19, the senate tonight voted an appropriation of \$40,000 yearly for salaries of district health superintendents, approving an amendment to the omnibus bill offered by Senator Dailey, Republican, Peoria. Originally the Dailey amendment provided for an annual appropriation of \$100,000 for the health workers, but he modified it tonight when senate sentiment apparently was against that sum.

The house cut the superintendent's item from \$100,000 yearly to \$20,000 and therefore probably will not concur in the senate's change.

Senator Dailey said the purpose of his amendment was to get the matter before the committee.

STATE OFFICIALS ARE SUMMONED IN BRIBERY CASE

Governor Small's Son Also Among Those Subpoenaed

WAUKEGAN, Ill., June 11.—State officials as well as Leslie Small, son of Governor Small, will be called as witnesses in the trial June 20 of John B. Fields, Eddie Kaufman and Eddie Courtney, all charged with jury fixing during the trial of Governor Small, State's Attorney A. V. Smith announced here today.

Among the state officials summoned to appear as witnesses are Colonel C. R. Miller, of Kankakee, state superintendent of highways, and William J. Stratton, state game warden. Ben Newmark and Michael Boyle, now under sentence for contempt of court because of their refusal to testify before the grand jury investigating jury fixing also have been called. Smith said, indicating that another contempt charge will be brought if they refuse to answer questions in the trial.

A bill of particulars was filed today in which the state recites the history of the Small trial and alleges that Fields, Kaufman and Courtney entered a conspiracy to corrupt, unlawful jurors to bring in a verdict of not guilty.

William J. Rgilly, formerly saloonkeeper of Antioch is under indictment and expected to be a state's witness in exchange for immunity.

NEGRO FOUND GUILTY OF 2ND DEGREE MURDER

DES MOINES, Iowa, June 11.—Joe Williams, negro, was found guilty of second degree murder for the slaying of Sarah Barbara Thorsdale, Valley Junction school teacher, by a district court jury here this afternoon. The case was given to the jury, composed of 10 men and two women Friday night.

Second degree murder is punishable in Iowa with 10 years to life imprisonment.

This was Williams' third trial. The jury in the first trial disagreed and in the second found him guilty of first degree murder. Several weeks before he was scheduled to be hanged that state supreme court ordered that he be given a new trial.

OVERTHROW WAS PLANNED FOR JUNE

LONDON, June 11.—The overthrow of the Stamboulsky government in Bulgaria was planned for the end of June, according to The Times' Vienna correspondent who quotes a dispatch received by The Neue Wiener Tagblatt. It was hurried however to forestall the great Agrarian congress which Stamboulsky had arranged to hold in Sofia to impress the capital with the strength of the Agrarian party. It was intended to have 200,000 persons attend the congress and 20,000 of Stamboulsky's orange guards were to have been concentrated in Sofia, armed from the government arsenal after having taken an oath of allegiance to the projected new constitution.

STATE INDUSTRIAL RELATIONS COURT CANNOT FIX WAGES

Chief Justice Taft Hands Down Supreme Court Ruling

WASHINGTON, June 11.—The Kansas law creating a state industrial relations court was declared unconstitutional by the supreme court today so far as it attempted to fix wages in packing houses. Chief Justice Taft, delivering the decision in a case brought by Charles Walff Packing company of Topeka, said the law in that respect was in conflict with the fourteenth amendment and deprived the company of its property and liberty of contract without due process of law.

"It has never been supposed since the adoption of the constitution," he declared, "that the business of the butcher, or the baker, the tailor, the woodchopper, the mining operator or the miner was clothed with such a public interest that the price of his product or his wages could be fixed by state regulation."

Since the adoption of our constitution one does not devote one's property or business to the public use or clothe it with a public interest merely because one makes commodities for and sells to the public in the common callings of which those above mentioned are instances.

While the law was directed to prevent strikes in those industries producing food, fuel and clothing, or in the transportation of such articles and brought under the industrial court all public utilities and common carriers, it was defended by the state in the case decided today on the ground that the preparation of food was affected by a public interest and that it was within the power of the legislature to do so.

The mere declaration by a legislature that a business is affected with a public interest, the court declared, is not conclusive of the question whether its attempted regulation on that ground is justified. The expression "clothed with a public interest," as applied to a business the opinion added means more than the public welfare is affected by continuity or by the price at which a commodity is sold or a service rendered.

CONFESSES TO SLAYING GIRL

YOUNGSTOWN, Ohio, June 11.—Chris Connell, who police say is the author of an anonymous letter threatening him if he did not cease his attentions to Miss Helena Drachmann and of a note addressed to the police directing them to the culvert where Miss Drachmann's body was found, confessed to the girl's slaying, police announced late today.

Connell's alleged confession came after several hours of questioning and after handwriting experts identified the writing of the two notes as that of Connell's. He is said to have killed the girl with a pocket knife. The girl was eight stab wounds in her body.

Connell, a Filipino and chauffeur for a Youngstown millionaire, was arrested on suspicion Saturday morning. He is said to have admitted committing the crime because Miss Drachmann refused to marry him. He said they were to have been married in October.

DENY REPORT THAT LIQUOR WAS SERVED

NEW YORK, June 11.—Officials of the French Line today denied reports that liquor was served yesterday by members of the crews of vessels of the line now in port in violation of the treasury department's prohibition ruling. Wine is being kept under seal and the men are being paid for the wine ration which, in accordance with French law, they receive under ordinary circumstances, it was stated.

Antoine Bordes, general representative of the line, declared he was certain the ship's liquor stores were under seal. If liquor was in possession of employees of the line, he declared, it must have been of bootlegging nature and origin.

Customs authorities ignored the reports and refused to discuss them beyond only to say that the law is being enforced and nothing more.

Supreme Court Acts in W. Virginia Gas Case

WASHINGTON, June 11.—A state cannot prohibit or restrict the importation of its natural products in interstate commerce, the supreme court held today in cases brought by the states of Ohio and Pennsylvania to enjoin West Virginia from regulating the flow of its natural gas across state lines. The decision brought vigorous dissents from Justices Holmes, McReynolds and Brandeis, each of whom criticized the ruling of the majority.

The court's opinion was delivered by Justice Vandeventer who emphasized the importance of the principles it established.

As described by him the decision means "that in the matter of interstate commerce we are a single nation—one and the same people." All the states, he said, have assented under the constitution to committing to congress the power to regulate such commerce this implying that the states were forbidden to do anything that could have such regulatory effect.

"No state, whether one where gas is produced or where it is sold can, by law," the majority declared, "prevent, obstruct or burden its transmission. The West Virginia law, in the court's opinion, proposed such a restriction."

Referring to the contention of West Virginia that the suits had been prematurely brought before any act by its commission to restrict the quantity of natural gas transported to Ohio and Pennsylvania and other states, Justice Vandeventer said:

"One does not have to await the consummation of threatened injury to obtain preventive relief. If the injury is certainly impending that is enough."

FOLLOWING TRAIL OF FR. VRANIAC, MISSING PRIEST

Brother and Detective Trace Man in Shabby Clericals

ST. LOUIS, Mo., June 11.—A man clothed in shabby clericals, who has been seen wandering thru western Missouri and eastern Kansas is Father John A. Vranjak, missing priest, brother of Frank Vranjak, a private detective, who are endeavoring to overtake the man, according to a letter received to the Post Dispatch.

In the letter written from Ottawa, Kansas, Frank Vranjak and the detective state their positive belief that the wanderer is Father Vranjak, who disappeared March 13, after a shopping tour here. They add that at times they have been only four hours behind him and expect to announce success or failure within a few days.

The letter states the trail was picked up in Sedalia, Mo. the middle of May and since then, they have followed the wanderer thru a number of Missouri and Kansas towns. Tourists passing the Mexican Catholic church in Ottawa, Kansas, reported they saw the man attempting to open the front door of the edifice several days ago, the letter says.

WOULD REPEAL BONE DRY LAW

ATLANTA, Ga., June 11.—A bill to repeal the Georgia "bone dry" prohibition law, approved in 1916, will be introduced in the next legislature by Representative Craig R. Arnold of Lumpkin county, according to an announcement made by Mr. Arnold here today.

"I believe that a number of states will repeal the 'bone dry' law this year," said Mr. Arnold. "As far as Georgia is concerned it is not only superfluous but the state statute and Volstead act should be enforced, but the existence of the law makes for a conflict of authority and entails an unnecessary expense upon the state, since the federal government has assumed the burden of prohibition enforcement."

SIX PERSONS ARE BELIEVED DROWNED

WICHITA, Kans., June 11.—Six persons are believed to have lost their lives in the flood waters of the Ninewash river 20 miles west of Wichita according to reports reaching here this afternoon. The water is said to be standing 16 feet deep over the entire river valley at that place. Searching parties in motorboats have failed to locate the missing persons.

Timothy Shea, his wife and two sons, and two small children of Mike Kane, motor salesman are believed to be flood victims. Shea family is said to be the only one living in the river bottom and nothing has been heard of them since the waters swept over the valley, although neighbors have been searching for hours for them.

DIES AS RESULT OF AUTO ACCIDENT

Chicago, June 11.—Lawrence Weber, Techny, Ill., died in an Evanston hospital this afternoon of injuries received Sunday night in an automobile accident on the Waukegan Road near Niles Center. Weber, according to authorities at the hospital was brought there late Sunday night by county highway police.

Dallas, Texas, June 11.—A quarterly dividend of 11 per cent on stock issued and outstanding of record June 23, payable July 5th, was declared trustees of the Magnolia Petroleum Co. here today.

SENATOR BROOKHART IS STILL TALKING BUT IT'S IN RUSSIA

Iowa Senator Tells Russians All About How U. S. Feels

MOSCOW, June 11.—Investigation of the extent of Russia's grain crop which, if unloaded on the world's markets would affect the prices received by American farmers, and a study of the Russian cooperatives are the objects of the visit to Russia of United States Senator Smith W. Brookhart of Iowa, he said today.

On his journey thru the grain fields between the Polish border and Moscow, the senator saw enough to convince him that Russia will have a good wheat crop this year, but he expects to go to the south visiting the wheat belt around Odessa on his way to Constantinople.

Even the Russia probably will again become a factor in the grain markets of the world, this will not affect the American farmers' attitude toward the recognition of the Russian regime, Senator Brookhart said, as the farmers of the United States would be glad if the Russian farmers prosper.

TURKS AND ALLIES ARE STILL AT OUTS IN NEAR EAST PARLEY

Successful, Issue of Conference is Still Menaced

LAUSANNE, June 11.—The Turks and the allies at today's session of the Near East peace conference remained steadfast to their divergent views on the Ottoman debt and the successful issue of the conference continues menaced. The allies late today gathered at a private meeting to consider the situation.

The Turks at a lengthy joint meeting today contended that to pay interest on the Ottoman debt in gold would amount to an annual expenditure of 35 per cent of the debt as the Turkish pound depreciated to one seventh of its par value, while the payment in French francs worth about one third of par would be about the same. The Turkish government has assumed the burden of prohibition enforcement."

Both the allies and the Turks profess not to consider a rupture of the conference imminent but each side realizes the delicacy of the situation.

PENNSYLVANIA TRAIN SHED BURNED MONDAY

PHILADELPHIA, June 11.—The lofty glass covered train shed of the Pennsylvania Railroad's Broad Street Station, once proudly known as the portal of Philadelphia, groveled tonight in its own ashes, the result of spectacular early morning fire.

The tangled mass of steel and iron above which stands the stark, skeleton-like framework of the train shed was isolated from the main arteries of traffic.

The main station building housing the administration offices, the waiting rooms and ticket booths, escaped from the flames practically unscathed. The total loss is still prohibitive but officials indicate that it will approach \$2,000,000.

REWARD OF \$2,000 FOR TESMER SLAYER

Chicago, June 11.—Morgan Collins, superintendent of police, tonight added a personal reward of \$500 to others totaling \$2,000 posted by Masonic lodges of the city for information leading to the arrest of the "Sniffling" woman bandit who shot and killed Richard C. Tesmer, insurance adjuster, last Tuesday night.

Dixon, Ill., June 11.—Mrs. Thomas Gary, the first white child born in Buffalo township, Ogle county, died at the home of her daughter in Rochelle, Sunday. She was born Sept. 22, 1864.

NO DEVIATION FROM SUPREME COURT RULING

Treasury Will Stand Pat on Prohibition Enforcement

WASHINGTON, June 11.—The treasury will stand pat in its determination to enforce rigidly the recent supreme court decision barring beverage liquor from territorial waters of the United States. It so informed customs officers in new instructions tonight, issued an official declaration that further misunderstandings with foreign governments may be avoided. The French government thru its embassy here had suggested to the treasury during the day that each member of the crew of the liner France, in New York Harbor, should be allowed to have his daily wine ration as is required by French law inasmuch as the ship had left her home port prior to June 10, the effective date of the regulations. Embassy officials took the position, treasury officials said, that after the liquor stores of the vessel had been sealed by customs authorities the former practice of opening the stores for issuance of the wine rations should be followed on this trip.

Some representation was said to have been made by the embassy that an understanding had been reached that such practice would be permitted. Assistant Secretary Moss, in charge of prohibition immediately called the officials of the prohibition unit together to trace down the statement credited to them but was unable to find anyone who would admit having made it. Mr. Moss later called the embassy's attention to the provision of the regulations permitting the entry of ships into American waters with a liquor cargo if they had left their home ports prior to June 10, but explaining that such stores must be sealed.

While the first international complication to result from the application of the court's drastic construction of the Volstead act threatened at first to develop serious consequences, most treasury officials tonight were inclined to the view that the difficulties will "blow over" and that heretofore general compliance by foreign ships with the American law may be expected. There were some however, who felt that possibly legal proceedings might be attempted by some foreign shipping companies because, they said, there was a question as to whether a foreign ship even tho in American waters actually could be held to be in American territory.

CONFERENCE ON WAGES CONTINUE

CHICAGO, June 11.—A conference between Mayor William E. Dever, union leaders and traction heads, was continued until tomorrow after a full day's session without a statement as to the progress of negotiations.

The controversy which Mayor Dever is attempting to settle amicably arose over the renewal of wage contracts and working conditions. Union sources have stated the men wish to argue the wage question using a 70 cent hourly wage as a basis.

Newspapermen found all in a cheerful mood at the close of today's session. Mayor Dever acted as spokesman.

"The meeting is adjourned," he said, "until tomorrow morning at 11 o'clock."

He declined to state definitely when a statement would be issued.

ALLIES TO REPLY TO GERMAN NOTE

LONDON, June 11.—Evidence of negotiations between the allied governments with the purpose of arranging for a joint allied reply to Germany's latest reparations note is seen in the fact that after the cabinet council tonight it was decided that any statement in parliament should be postponed for a day or two.

Lord D'Abernon, the British ambassador at Berlin is in London assisting the ministers with advice and in the meantime no official statements are being issued.

ILLINOIS MAN UNDER ARREST IN SEATTLE

Seattle, Wash., June 11.—George H. Smith, arrested here June 1 on a grand larceny complaint, was today identified by two former residents of Rockford, Ill., and by photographs and circulars as Arthur J. Keller, wanted in Rockford on a charge of having embezzled \$17,000 from a lumber and coal concern there, officers announced today.

A. J. Morgan, new manager of the Railway and Light Co., made a trip to Meredosia Sunday.

TWO VIRGINIA MEN KILLED BY B. & O. TRAIN MONDAY MORNING

Arthur Newman and Roy Ross Struck by B. & O. Passenger Train—Newman Died Soon Afterward and Ross Died at Beardstown—Brother of J. E. Ross of This City

VIRGINIA, Ill., June 11.—Two men in an automobile lost a race with a Baltimore & Ohio passenger train here today. Both were killed. Driving along a road paralleling the railroad four miles from here, Arthur Newman and Roy Ross of Virginia, saw a train approaching. Judging they could beat the train to the crossing, they speeded up, but the train and automobile arrived at the same time.

Newman was brought to Virginia, but a doctor could not be found here, so he was placed back on the train and taken to Beardstown where he died. Ross died tonight.

John E. Ross of 263 Finley street, this city, is a brother of Roy Ross, who died Monday afternoon as a result of injuries sustained when the car in which he was driving was struck by a B. & O. passenger train near Virginia. The local man was in Beardstown Monday at the home of a sister, Mrs. Carl Thornly and did not receive the news of the fatal accident until late in the afternoon.

The dead man was a prominent farmer and stock man of Cass county, and had for several years been manager of the elevator at Philadelphia, Ill. He is survived by his wife and two small children, his aged father and the following brothers and sisters: Mrs. Carl Thornly, Arenzville; Misses Nell, Ethel and Hazel Ross, Philadelphia; John E. Ross of this city; Walter Ross of Philadelphia.

Arthur Newman, who was also in the car which was struck by the B. & O. train, died soon after reaching Beardstown, to which town both men were taken soon after the accident. Newman was engaged in the poultry business at Philadelphia and is survived by his widow.

Coroner Sanders of Beardstown will empanel a jury and hold an inquest this afternoon.

PROGRESS MADE IN STRAIGHTENING OUT MEXICAN SITUATION

Delegates Continue Reconciling Differences in Viewpoints

MEXICO CITY, June 11.—Better progress was made today at the session of the conference of the American and Mexican representatives than at any other previous meeting at which attempts have been made to straighten out the differences existing between the United States and Mexico.

The Agrarian question was before the conferees today and efforts were continued to reconcile the differences in the viewpoints of both governments concerning the expropriation of lands by Mexico.

John Barton Payne, one of the American delegates, said afterwards that the opportunity to examine into Mexican legislation affecting the restoration of form-communal lands to villages had given the United States commissioners insight into Mexico's Agrarian problem and aided materially in the task of reaching a solution of the situation satisfactory to both governments.

Charles B. Warren, the other American delegate, commenting on the length of time that is being spent in trying to untangle the points at issue declared that questions arising from twelve years of federal and state legislation could not be unravelled in that number of days.

AUSTRIAN LOAN QUICKLY SUBSCRIBED

NEW YORK, June 11.—Within 15 minutes after the books were opened for subscriptions to America's \$25,000,000 part of the \$126,000,000 Austrian loan today, announcement was made that the issue had been over-subscribed. Cable reports stated England's share in the loan was over-subscribed and the books closed one hour and twenty minutes after the opening. The loan was offered simultaneously in eight countries.

Preliminary reports to J. P. Morgan and Co., which headed the banking group offering the bonds in this country, indicated the total subscription might reach as high as \$125,000,000.

ATTORNEYS PAINT CONFLICTING PICTURES

CHICAGO, June 11.—Conflicting pictures were painted by attorneys in the trial today of Mrs. Anne Belle McGinnis and her sister, Miss Mina Piech charged with the murder of the former's husband, Michael McGinnis, a city fireman.

Francis Nee and Charles Schadt, said to be sweethearts of the two women, are charged with being accessories before the crime.

McGinnis was shot and killed in his home March 13, his wife confessing at the time that she shot in self defense. He had threatened the lives of herself and her sister, she said.

POSSES LOOKING FOR BANK BANDIT

PLAINS, Mont., June 11.—Sheriff posses were searching the hills between here and Paradise, Mont., today for a robber who escaped with \$1,500 of the funds of the Farmers' State bank this forenoon after locking C. S. Robinson, the president in the vault. Robinson was released soon afterward by patrons who heard him knocking on the wall. The robber who had cut telephone wires into Plains, walked from the bank and hired an automobile to take him to Paradise, but about half way there left the machine.

FAILS FROM TRAIN; SERIOUSLY INJURED

Bloomington, Ill., June 11.—George Burns, 5575 Greer avenue, St. Louis, Mo., was taken to Brookwood hospital here today, when he fell from a freight train at Minier, Ill., on which he was beating his way, suffered a severed leg and arm, and a deep gash in his neck.

A THOUGHT
A BUSINESS VIEW.
Imports from Canada for the nine months ended March 1923, six of which were under protection, totaled \$304,000,000, compared with \$228,000,000 for the corresponding nine months ended March 1922, which was under the Democratic low duty law enacted for the purpose of increasing imports from foreign countries. It is difficult to see what more Canada can fairly ask for. Evidently the protective tariff policy of this country has increased her sales to us, and yet she wants reciprocity which she refused for eleven years. She wants it, of course, because it will give her a still larger market in this country for her farm products. Canada is not out for philanthropy.

THE COSTLY DIRIGIBLE.
Another big dirigible airship has been destroyed before it had been used for any productive purpose. This time lightning caused the wreck. The usual military investigation is in process, but the accident re-opens the whole question of the practicability of this type of craft.

Experts in aviation evidently feel sure that the dirigible has a legitimate place in aerial undertakings, or they hardly would go on experimenting in the face of so many disasters. But to the layman it seems very doubtful. The dangers of explosion are greater in the lighter-than-air ship than in any other type of air-craft, and added to the ordinary hazards of flying make a bad combination. The cost of construction is another feature. The total loss in money is large, and the loss of life is still more serious. It is only thru experiment that faults can be corrected, but as matters stand the dirigible ships are costing the nation far in excess of any service they have rendered.

STREET WORK FOR SPEEDERS.
The mayor of New Castle, Pa., has devised a method of punishing auto speeders which may or may not reform them, but which should be a boon to citizens of the community. A number of un-

ed streets are in need of oiling and residents along them have complained earnestly to the mayor. He has asked the council to provide men to oil the streets, but they cannot get the men. "Then and costs or two days oiling the streets," is the proposal for killing two birds with one stone. It's a fine idea, if only the speeders prefer street-oiling to paying the fine.

FOUND HOME FOR JOURNALISTS.

James Gordon Bennett, noted newspaper man, who died in France in 1918 left the residue of his estate to found and maintain a home for New York Journalists. The estate has a valuation of over \$3,000,000. In addition to this bequest Mr. Bennett left many legacies of \$10,000 to friends and employees.

This is probably the first instance on record where a newspaper publisher left his estate for the benefit of his fellow workers. It is also a worthy purpose for if there is a class of workers who deserve something in their declining years it is newspaper workers. These men give their lives to serving the public and usually at salaries not commensurate with their worth. The real newspaper man is in the game because he loves it and not for the money he makes. The fascination of the game, being in touch with world, as well as local affairs has an appeal that we believe is not true of any other work or profession.

BOOSTERS OF RACE MATINEE TO MEET

Chairman J. W. Cleary of the committee in charge of boosting the matinee races, has called a meeting of district chairman for this evening at 8 o'clock in the Chamber of Commerce rooms. New members of the group of chairmen are Dr. C. E. Scott and H. K. Chenoweth, who are to have charge of the booster work in the fourth ward. The tickets for the races have been printed, and at the meeting tonight they will be passed out to the chairmen for distribution among the members of their committees. Each ticket will admit a lady and gentleman to the races.

Mrs. Frank Irving has returned from Carrollton, Illinois, where she was called by the serious illness of her father, John Spencer. Mr. Spencer was a former resident of Jacksonville.

142 ATTEND FIRST SESSION OF D. V. B. S.

Bad Weather Does Not Prevent Successful Opening of Second Annual Bible School Term—Good Registration in All Departments.

The rain and the gloomy weather of Monday morning did not prevent one hundred and forty-two pupils from registering in the Community Daily Vacation Bible School which began a four weeks session at 9 A. M. This number will be added to daily as others who were prevented from attending on the opening session will find an opportunity to get in on the remainder of the school season. There were several valid reasons for not announcing the Kindergarten for this year, that announcement is made that on Tuesday a limited number of under-age children will be taken into a department of this nature at Grace M. E. Church. These ages are 4 to 5 years.

Miss Grassley, director of the Junior Department reported the largest number in attendance on the three departments on Monday. Fifty-three registered at the Central Christian Church. Dr. T. H. Tull was enthusiastic about the work at the Grace M. E. Church where fifty-one were enrolled on the first day. At the First Baptist Church thirty-eight intermediates had a full morning with Rev. A. P. Howells in charge. In this department Miss LaFern Hess is acting as pianist and Miss Lorraine Torrey as assistant. The community school secretary, Miss Elizabeth Long, states that, while the school is not quite so large as it was last year, it is making it possible for the teachers to do better work.

In the Hammock making Department at the Baptist Church, Miss Bertha Mason enrolled ten hammock makers. Some are finishing their hammocks of last year. Others are taking up the work for the first time. A charge of one dollar and a half is asked of the pupils for the material used. This does not cover the expense of making a large hammock, the remainder of the cost being born by the school. The material for the pine needle baskets has arrived from Cambridge, Mass., and it is possible that the making of pine needle baskets will begin on Tuesday morning at the Baptist Church, where eleven "basketweavers" have been enrolled. Mr. Graff has his hands full with nearly two dozen toy makers in the basement of the Methodist Church. He announces that the J. J. J. will have the first hour, 9 to 9:40 A. M. and the Intermediates from 10:45 to 11:30 A. M. Miss Katherine Randle, the Habit Story Teller, covers the entire three departments in one morning, suiting a story to each age.

DR. THOMAS DELIVERS ADDRESS TO SENIORS

Preaches Baccalaureate Sermon Sunday Morning at Congregational Church—Talks on Fruits and the Two Views of the World's Condition.

The graduating class of 1923 of Illinois College heard a plain sermon Sunday morning by Rev. Dr. John T. Thomas of Springfield. He took as his text those verses in Matthew which tell of the good and bad fruit. He showed how the members of the class were compared to these trees, some bringing forth good fruit and others the less desirable variety. Rev. Thomas said in part: "The principal factor of today is growth, development-unfolding; not from a numerical standpoint nor yet in view of scientific progress, but in consideration of the interest of man in man-humanitarian interest, as it were. As an example we have the graduating classes of 1923 which is a souther of the interest parents and taxpayers in general are taking in the education of their youth. Not only is their interest displayed in the way of higher education in better schools, but also, let it not be overlooked that there is more effort being exerted every year from the Christian viewpoint.

"There are two strong and conflicting sentiments existent today, the attitude of those who from a separate kingdom who believe the world is increasing in its wickedness as time passes as against the sentiment that everything is for the best and the work of God. Men have always been disappointed because they have seen so many failures; hence this in favor of the world's increasing wickedness. It is hard to change society.

"Quotations of great men tend to the same end that man is as he is because of conditions existent within. Golden results may not be obtained from a leaden desire; as a man thinketh so is he; all of which are merely another way of expressing 'Good trees bring forth the good fruit and corrupt trees bring forth the corrupt,' and this may also seem to bare out the thought a man's inspiration comes from within which is invariably true, but cannot these conditions be altered by a soul's environment?"

BERTON BRALEY'S DAILY POEM

Anything But the Truth

By Berton Braley
LIES!
Lies! They're frequently kindly and wise. Lies like, "That baby is surely SOME lad. He looks like his mother, but more like his dad." (When, if the cold truth were quite ruthlessly said The baby is funny and squally and red, As healthy, and normal, perhaps as he may be But looking like nothing on earth—but a baby!)

LIES!
Lies! They add to life's joys, I surmise. Lies like, "I've had such a WONDERFUL time! I think that your party was SIMPLY sublime. (Whereas, if the truth should come out with a thud, The party was awful, the hostess a dud. But lies of that fashion make living more bearable; The social world, lacking such fibs, would be terrible.)

LIES!
Lies! They often are things that we prize. Lies like: "How lovely you're looking today!" Or "How DO you dress in that marvelous way?" Or "Just what I wanted. Your present was fine!" Or "Dearest, your eyes have a beauty divine." Lies that are destined to flatter and soothe; Lies that are making the planet run smooth!

LIES!
Lies! Which moralists bid us despise. But oh how these nice little fibs that we spring Make life a more gentle and kinder thing! The white lies, the light lies, that come from the heart To brighten existence and temper its smart. The lies that save friendship, or add the course of That tender alluring delusion called love; Why, civilization is bound by the ties Of courteous, thoughtful, considerate Lies!

THREE PLAYS GIVEN AT ILLINOIS COLLEGE

Sketches Given By German, French and Spanish Clubs. Monday afternoon at 3:30 o'clock, the German, French and Spanish clubs of Illinois College each presented a play.

The title of the German play is, "Either Miss Heiraten." (One Must Marry), and was presented in the German language. The cast is as follows: Jacob—Henry Kronenberg. Wilhelm—Fred Haberkorn. Louis—Charles Engelbach. The Aunt—Katherine Parker. This play was read in class during the year and was adapted for this occasion by Mary Louise Strong. The subject of the Spanish play, given in Spanish, was "La Broma" (The Joke) and is a short farce based on a case of mistaken identity, possessing the usual romance of love, etc. The cast follows: Don Antonio—Ellsworth Scott. Don Luis Aguilar—Arthur Howells. Carmen—Lillian Swift. Adela—Celestine Hemphill. This play was read in class during the year and was presented by the Spanish Club in Academy Hall some weeks ago.

At the same time and place, a play was given in French, with the title, "Marrine De Guerre," which presents the experience of a young American Captain who paid a visit to a supposed grandmother, that turns out to be a young woman of twenty, whom he falls in love and marries. The cast of the play was: Suzanne, (young lady disguised as grandmother)—Helen Cleary. Lucienne, her friend Velma Matthews. Celine, the maid—Louise Ball. Suzanne's mother—Clara Smith. Le Capitaine Gibbs—Henry Alexander.

This play was selected and given by the French Club in Academy Hall some weeks ago, under the direction of Miss Suzanne Mayer, of the College faculty. The plays were presented with uniform excellence.

LOCAL YOUNG WOMAN ATTENDS DECATUR WEDDING

The marriage of Miss Opal Whitlock and Homer F. Richardson was solemnized Thursday, June 7, at the home of the bride's parents, Mr. and Mrs. E. A. Whitlock, in Decatur. Miss Margaret Spencer of this city and Hubert Richardson of Paris, Ill., were the attendants and Little Miss Virginia McCabe of Warrensburg, niece of the bride, acted as flower girl. The bride is well known in this city, where she has visited at various times in the past. She is a graduate of the Decatur high school and for the past three years has been a teacher in the public schools at Maroa.

FINISH CLEAN-UP WORK IN BUSINESS DISTRICT

Clean-Up Campaign in Streets and Alleys of Business District Completed—Residence District Now to Receive Attention.

The clean-up campaign which has been in progress in the streets and alleys in the business district has now been completed, according to Dr. R. V. Brokaw, county health officer. The work has been in progress for the past several weeks and the result is quite apparent to the observer. Business men have co-operated in a most gratifying way and as a result a very satisfactory state of affairs has been brought about. It is the hope of those in charge of the campaign that the streets and alleys in the business district may be kept in their present sanitary condition during future days and weeks.

The clean-up work is now to be extended to the residence district and the expectation that future weeks will bring about a decided change for the better in various parts of the city. Property owners who have deposited ashes and rubbish in the streets and alleys in the residence districts in violation of the city ordinance will be expected to remove the same. An effort will be made to put an end to other practices which mar the beauty of the city or endanger the health of its inhabitants. Edward Lonergan, the sanitary inspector, has made an excellent showing since taking up the duties of his office, and hopes to accomplish even more worth while results as the scope of his work is widened.

DAUGHTER OF FORMER RESIDENT WINS HONORS

Mrs. Lee Davis of this city has received an invitation from her cousin, Miss Lucille Wallace, to the graduating exercises at Vassar college. Miss Wallace has won the distinctive honors of Phi Beta Kappa and of membership in the intercollegiate debating team. She also has the distinction of playing the only musical number on the commencement day program, and will render Grieg's Concerto for piano. Miss Wallace has also won a fellowship in music and history at the University of Vienna in Austria and will begin her studies there next September. Miss Wallace's mother was in the class of '92 at Illinois Woman's college and before her marriage was Miss Carrie R. Craig of this city. The family home is now in Chicago.

WESTERN UNION CLOCKS OUT OF COMMISSION
Pedestrians on consulting the various Western Union clocks in the business district yesterday morning were startled to find that their ingersolls were out of the race with Father Time by varying degrees. The trouble this time was with the clocks not the ingersolls. The 27 clocks that are located around the square and in the business section had a good vacation over the week end and were brought back to life by the linemen of the Western Union, who found that one of the lead wires had come in contact with a high tension wire east of the square. The new coils which will have to be put in the clocks will cause quite an expense to the Western Union.

COMMERCIAL GROUP ELECTS NEW BOARD

Twelve Men Named by Commercial Division on Executive Board—Merchants Vote Weekly Half Holiday.

The election of an entire new board of directors for the Commercial Division of the Chamber of Commerce was completed yesterday and the results announced by Secretary Welch. Six members of the former board were re-elected and six new members were placed on the board by the votes of the 196 members of the organization. The results of the election show the new board to be made up of the following: men: A. R. Taylor, Fletcher Hopper, Lloyd S. Reid, H. M. Andre, Byron Armstrong, Charles T. Mackness, John S. Hackett, C. E. Hudgin, Lloyd T. Hamilton and Dennis Schram.

The new executive board will meet next Monday morning to organize and make plans for the coming year. New officers will be elected and committees appointed. The retiring officers are: President Charles Buhner, First Vice President, L. T. Hamilton; Second Vice President, Charles Fiedler; Secretary, H. C. Welch; Treasurer, Edward Tomlinson. The referendum vote of the merchants on the question of closing each Thursday afternoon during the summer months resulted in a decision to remain open. Only twenty-six merchants voted to close, while seventy-eight voted to keep their doors open. The holiday committee has decided to let the matter drop. The question was submitted to a referendum at the suggestion of a number of merchants who favored the weekly half holiday.

PYTHIAN LODGE IN REGULAR MEETING

Jacksonville Lodge No. 152 Knights of Pythias held a very enthusiastic meeting at their quarters in the I. O. O. F. Temple on East State Street last evening. There was an unusually large attendance and during the business session it was decided to confer the Rank of Knight on Monday June 25th, at which time a large class will be given the work. L. O. Vaughn will be in charge of the ceremonies, a feature of the evening being the team and all officers appearing in their new uniforms which have arrived. Arrangements have been made to march jointly with Favorit Lodge 376 in the Jubilee Parade on Friday. The time and place will be announced later by the committee in charge. Next Sunday June 17th being K. of C. Memorial Day. A committee was appointed to decorate the graves of the deceased brothers.

IS VISITING RELATIVES HERE

Mrs. Preston Spahnower of Stockton Calif., is here to spend the summer with her parents Mr. and Mrs. George F. Haigh of Hardin Avenue. Mrs. G. L. Hills helped represent Franklin in the city yesterday.

Telephone Talk No. 21

"Timing Long Distance Telephone Calls"

How does the telephone company time a long distance call? The method is simple and accurate.

The operator does not look at a clock; she might easily misread the clock. She has a ticket on which the details of the call are written. When the conversation starts, she slips the ticket into a machine called a "calculagraph," which automatically stamps on the back the correct time to a fraction of a minute.

When the conversation is finished, the calculagraph again stamps the ticket in a way which shows directly the time which has elapsed since the first stamping.

The calculagraph is carefully inspected three times daily in order to see that it is in perfect working condition.

The use of this mechanical device insures accuracy in the timing of long distance calls.

"First came THE BIRTH OF A NATION, which astounded all of us. Then THE FOUR HORSEMEN OF THE APOCALYPSE, which startled us. This was followed by WAY DOWN EAST, a production that thrilled us; but it remained for "DOWN TO THE SEA IN SHIPS TO OVERWHELM US!" It contains the supreme thrill of picture history.

Thar She Blo-o-ows!
The whale is sighted! The small boats are launched for the chase! The harpoon is thrown and the leviathan of the deep pulls the small boat through the water at express train speed! BUT—The animal turns and charges his captors! What happens is one of the greatest thrills ever recorded in screen history!

It took 18 months to produce this stupendous film drama, more than two months of which were spent cruising in the Caribbean Sea in pursuit of whales.

The oldest whaling vessel afloat, the "Charles W. Morgan," was used in the filming of the picture, manned by a crew of 21 men and two mates, all of whom were expert whalers, under the command of Captain Tilton, a whaleman of 40 years' experience.

There never has been, there may never be again, a motion picture that for sheer daring overwhelms the spectator in the manner of "Down to the Sea in Ships." Here is nature at her mightiest; a slip spells death, and events well nigh unbelievable in their terror-inspiring results take place apparently within a few feet of the astounded audience.

On the cruise in the Caribbean, 11 huge whales were attacked, in which the lives of the crew and actors were in constant jeopardy. Three whaleboats were smashed to bits by mad, dened whales during the filming of the picture, endangering the lives of the crew not only by the attack of the huge mammals, but by the man-eating sharks which infested the waters. The whole town of New Bedford, Mass., co-operated in the production of "Down to the Sea in Ships."

Teachers of Deaf Have Varied Summer Plans

Miss Frances Wood and Miss Ruth Bailey will spend a large part of their summer vacation studying in the University of Wisconsin at Madison.

Miss Florence Loar plans to visit in Chicago for a few days and then go on to Detroit. During the last week in June she will attend the convention of American Instructors of the Deaf at Belleville, Canada. Later Miss Loar plans to visit some of the interesting places in Canada and will return to her home early in August.

Miss Annie Tanner will be with her mother in New York City early in the summer. Afterward both Mrs. Tanner and Miss Tanner will visit Mrs. Mary Tanner Post at her home in Southport, Conn.

Miss Irene Sandberg will go to St. Louis Tuesday to attend the Progressive Oral Advocates meeting at Central Institute. From there she leaves for Belleville, Canada to be in attendance at the convention of American Instructors of the Deaf. Her trip east will include Niagara Falls, Toronto and other points. After July 2, she will be in Jacksonville to resume her teaching in the Summer Normal at the Illinois School for the Deaf. The Summer Normal will begin July 2, and continue thru August 19.

Miss Eva Williams will also attend the convention at Belleville, Ontario, Canada. Then she will enjoy a trip up the St. Lawrence river through the Thousand Islands, stopping for a short visit on her return home.

Miss Nelle M. Cuddy will leave for Belleville, Canada, the 22nd of this month to be in attendance at the convention of American Instructors of the Deaf in that city. Her trip east will include Niagara Falls, Toronto and other points of interest. She will return to Jacksonville the first week in July and plans to take again a part of the Normal training course given at the L. S. D. Later in the summer she will probably spend a few weeks in northern Iowa.

Mrs. Gertrude R. Goltra is al-

so going to the Belleville convention. Afterwards she will visit some of Canada's beautiful cities. Later she expects to spend two weeks with her sister in Cleburne, Kan.

Miss Imogene Allen will spend her summer holiday at her home in Fairbault, Minn.

On his way to Belleville, Canada, F. W. Schoneman plans to spend some days with his mother at her home in Peoria. Then he will go to points of interest in both Canada and the United States. Later he will return home to study. A short time before school opens Mr. Schoneman will go to Dayton, Ohio and bring back Mrs. Schoneman, who is visiting her parents in Dayton.

Miss Adele Kepler also expects to attend the convention for teachers of the deaf at Belleville but has not completed her plans for the summer.

Miss Anita Magdanz, Route 3, Waupaca, Wis., is planning to teach a private pupil during the summer. She will also spend unlimited time on and around the Chain o' Lakes at her home and will visit her mother and the rest of her family for awhile.

Mr. and Mrs. Harry Snyder are anticipating a pleasant summer in Chicago.

Miss Perol M. Smith of Lodi, Wis., will spend her summer with relatives.

Mr. and Mrs. E. P. Cleary and family will enjoy their vacation on their farm at Old Mission, Mich. Miss Amanda Davis is also on the list of convention goers. She will make brief stays in Chicago and Detroit on her way to Belleville. After the convention she expects to visit some of the interesting points in the east. Later she will go to her home in Arkansas.

Miss Hettie Patterson expects to leave Jacksonville the first of July. After spending a few days in Chicago she will go to Boston for a 10 days visit with her friend, Mrs. Carrie Crane Tilton. On July 17, she will enter the Teachers' Training Class at Vine-land, N. J., to take a six weeks' course of study there. This work is extension university work and all lectures are given by professors from the Lehigh university. University credits are given if satisfactory work is done. Miss Patterson anticipates a pleasant and profitable summer and hopes to get much help for her school work.

Elbert Brasel will drive to Belleville, Canada, to attend the International Convention of Teachers of the Deaf. He will spend a few days at Buffalo, Niagara Falls and Toronto sight-seeing. Continuing his tour he will go up the St. Lawrence river to Quebec, then to the coast of Maine, down the coast to Boston, New York and Washington, D. C. After his arrival at home, Mr. Brasel expects to attend school, but has not yet decided where he will study.

Mrs. Helen Jordan and Miss Edith Jordan will motor to Colorado Springs, Colo. Miss Jordan will study there thru the summer.

Miss Carolyn Tatt will soon be driving to her farm near Old Mission, Mich. After a brief stay there she will go to the convention at Belleville. The remaining

days of her vacation will be spent on her Old Mission farm. Miss Della Orr and two of her sisters are going to the convention. They expect to visit a great many places of interest in the east.

After Miss Anne Kingsley attends the convention at Belleville, she will take up work in an eastern university, probably at Columbia university.

Mrs. Emma Rawlings and her family will visit at the home of Mr. and Mrs. Walter Moore, near Traverse City, Mich., during the summer.

Miss Elizabeth Vincent is going to the Belleville convention. From that place she will go to Huntington and White Sulphur Springs, West Virginia, for a few weeks' visit. Later in the summer she will take special work in a training school for teachers of the deaf.

After visiting a number of eastern schools of the deaf, Miss Amy DeMotte will attend the Belleville convention. Miss DeMotte is a good listener and will bring back much interesting information to her own school.

Prof. G. H. Putnam will go to Belleville, Canada, the latter part of the month to attend the convention of instructors of the deaf. He will probably return to this city for two weeks in July and will then go to Michigan for a summer stay.

FUNERAL OF WHITE HALL
MAN WAS HELD MONDAY

White Hall, June 11.—Joseph G. Browning, one of the old citizens of White Hall, died at 2:15 p. m. Saturday in his home on Douglas street. He had been in failing health for some time with complications. His age was nearing 76 years. He served a term as alderman, and in his later years was a constable, always having been a man of the public spirited sort so far as his capabilities and means permitted. The wife and four children survive, the children being Herbert of White Hall, Frank of Lincoln, Miss Florence of St. Louis and Mrs. Julia Anthony of Roodhouse. Funeral services were conducted at 2:30 this afternoon in the home of Rev. L. E. Ellison, pastor of the First Baptist church. Burial was in the White Hall cemetery.

Ice Cream Social this evening, June 12th, at Ar-cadia church.

FRANKLIN HOMEMAKERS
CIRCLE TO MEET TODAY

The regular meeting of the Franklin Homemakers Circle will be held this afternoon at the home of Mrs. James Sinclair in Franklin. The program for this meeting will be as follows:

MRS. THOMAS BEAN DIES AT WINCHESTER

Community Shocked by Sudden Death of Well Known Resident—Funeral Friday Morning—Standard Bearers Meet.

Winchester, June 11.—The community was shocked Sunday by the sudden death of Mrs. Sarah Bean, widow of the late Thomas Bean, at her home on North Main street. While she has not been in the best of health during the past year, she was feeling well Sunday morning. Her son, Claud Bean, and family were spending the day with her and her daughter, Mrs. Lois Hamilton, and she had helped to prepare the dinner. As the family finished the meal, they saw that something was wrong with Mrs. Bean. A physician was called but she passed away before anything could be done.

Mrs. Bean was born near Point Pleasant 70 years ago. She was married to Thomas Bean and they resided on the home place four and a half miles west of Winchester. She was the daughter of the late William and Elizabeth Adkinson.

She is survived by one daughter, Mrs. Lois Hamilton, at home, and three sons, Fred, Bert and Claude, all living near Winchester. She is also survived by Mrs. Samuel McKorkell, of Los Angeles, Cal., who made her home with Mr. and Mrs. Bean from the time she was six years of age. Two daughters, Maude and Dora, died in infancy, and one son, Edward, also preceded her in death.

She is also survived by eleven grandchildren, and one sister, Mrs. Mary Robinson, of Macomb, Illinois.

Funeral services will be held at ten o'clock Friday morning from the Christian church. Burial will take place in North Prairie cemetery. Mrs. Bean was highly respected by all who knew her, and belonged to one of the prominent Scott county families. She was a member of the Christian church and was interested in all of its activities.

The Standard Bearers of the Methodist church gave a party this afternoon at the home of Miss Alma Corrie, who leaves for her home near Denver, Colorado, Tuesday morning. It was a pleasant surprise to the guest of honor.

A short program was given. Miss Harriet Hart gave a reading on India. There was a vocal solo by Miss Frances Dugan, and a duet by Miss Madeline Drew and Miss Dugan. Devotions were led by Miss Coultas. Dainty refreshments were served.

David Hainsfurther, wife and daughter, Miss Dorothy, left Sunday noon for Springfield, where Miss Dorothy underwent an operation for appendicitis Monday morning.

The Children's Day program was given Sunday evening in the Christian church. Songs and recitations were enjoyed by a large audience.

SEVEN DEAD, MANY REPORTED MISSING IN KANSAS FLOOD

Property Damage Estimated at More Than Five Million

(By The Associated Press)
KANSAS CITY, June 11.—Seven dead, many reported missing, thousands homeless and property loss exceeding \$5,000,000 was the known toll tonight of floods which have sent virtually every stream in Kansas to the highest stage in years.

The Kansas river and some of its tributaries tonight were reported falling thus removing the immediate danger of threatened disastrous floods in Northern Kansas. In Southern Kansas, however, the waters were rising.

Thousands of acres of rich farm lands were covered with water and further overflows were feared.

Arkansas City and Winfield, in South Central Kansas, the cities hardest hit tonight were under patrol of American Legion and Kansas National guardsmen. Red Cross and other agencies were endeavoring to care for the homeless.

The Chamber of Commerce at Arkansas City appealed to other cities for \$500,000 to aid the flood sufferers. The chamber

estimated the damage at Arkansas City at more than \$3,000,000. At Winfield the damage was estimated at between \$1,000,000 and \$1,500,000.

At Wichita, where damage in excess of one million was caused by flooding of four square miles in the east of the city Saturday the situation was reported greatly improved tonight. Hundreds of men were working at top speed to prevent further breaks in the dams.

The first volunteers of Company I were mustered into the United States Volunteer service at Camp Lincoln, Springfield, May 5, 1898. The regiment left Springfield for Chienmaung, Georgia, May 10, arriving at Camp Thomas there about a day later. As shown at the head of Part I of this story, the war began April 21, 1898.

Captain Vickery received the following from the Adjutant

General:

Springfield, April 25, '98.

Captain E. C. Vickery,

Company I,

Jacksonville, Illinois.

You will report with your company for service in the war to your regimental commander, at the State Fair Grounds, Springfield, not later than Wednesday noon.

J. N. Reece,

Adjutant General.

On the evening of April 26, a rousing reception was given to Company I at the Grand Opera House, which was crowded to suffocation, and hundreds were turned away. Mayor Tyrrell called the meeting to order and Chaplain Rutledge offered prayer, after which Judge Richard Yates was introduced as chairman of the meeting. He announced music by a quartet consisting of Messrs. Charles Rowe, Philip Read, J. N. Hockenbuhl and Oliver Mason, who sang "Rally Round the Flag," the audience joining in the chorus.

The chairman then announced five minute speeches would be in order and he lead with a few words.

Honorable William H. Hinrichsen was the next speaker. Frederick H. Rowe followed.

The chairman read a sublime poem which was sent to the stage as a mark of respect to the martyrs of the Maine. The audience was requested to rise and remain silent a moment and then the quartet sang "Illinois," following with "Just Before the Battle Mother," as an encore.

Judge Charles A. Barnes spoke next.

Hon. I. L. Morrison followed. Captain Philip Lee, veteran of the War for the Union was then announced. He sang "Marching Through Georgia," the band playing the prelude the audience joining in the chorus. This evoked the waving of flags and a volume of cheers. Captain Lee was then called upon to sing again.

Major William P. Callon next addressed the audience.

William A. Crawley, veteran of the old war, followed, after which the quartet sang "Farewell, My Own True Love, Farewell."

The chairman next introduced Captain Vickery, who was received with loud acclamations. Captain Vickery said, "I am not accustomed to speaking, but I have here a flag presented to us by the Daughters of the Revolution. It was accompanied by a letter which I will read."

The letter was sent by the Regent and Daughters of the Revolution of the Rev. James Caldwell Chapter, Jacksonville, Illinois, signed Mrs. Gates Strawn, Regent.

Captain Vickery said, "We accept the flag and will carry it with us and bring it home safely." After other remarks, the Captain proposed three cheers for the Daughters of the Revolution. This closed the exercises in the Opera House, a benediction being given by Rev. Charles Matthew Brown, D. D.

On the morning of April 27, at 8 o'clock, church bells of the city were rung, whistles were blown and everybody thronged to witness the departure of the boys. Company I assembled at the armory and formed in line to go to the station, the band going first, headed by Major Dalton. Next came the "Cadets" of '76, and then the veterans, numbering from 150 to 200. The Illinois College Company followed and the outgoing soldiers wedged their way through the crowds at the station. Almost everyone had a flag which they waved frantically on the slightest provocation. Right on time, the Wabash train pulled in and then there was a rush for the cars. A great many citizens went up to Springfield with the boys.

There was a company from Quincy on the train and in comparison our own boys showed to advantage. "As the signal to start was given, friends waved flags and from thousands of throats cheer after cheer went up and all was commotion and excitement. From the rear of the train the flag, presented the boys, waved majestically and they all promised to bring it back unsullied." Down at the junction, another crowd was gathered and the band from the Blind was on hand and played patriotic airs. Young ladies of Illinois Female College were also on hand in full force, giving their class cheers and singing songs in grand style.

And so Company I had started for the war.

WILL CASE IS ON TRIAL IN CIRCUIT COURT

The suit of Mamie Page, et al vs. Ida L. Wells et al., is on trial before Judge F. W. Burton in the circuit court. The complainants are seeking to break the will of the late Mrs. Alice McLeod of Waverly, and property valued at from \$16,000 to \$20,000, originally a part of the Turner estate, is involved.

The effort to have the will set aside is based upon the claim that a certain codicil was made after Mrs. McLeod had been found by a jury a feeble-minded and distracted person. The complainants are represented by Reeve & Green of this city, and L. J. Taylor of Taylorville and the defendant by William T. Wilson.

The jurors in the case include Thomas Quinn, Earl Rector, Raymond Massie, Harry Phillips, Austin Cockerill, Frank Wagstaff, W. T. Cowdin, G. J. Dowell, John Taylor, C. O. Morris, John Hunter and Robert Rook.

MASTER'S SALE.

An 11 acre tract of land adjoining Waverly belonging to the estate of the late James McKee was sold by Master in Chancery Henry W. English Saturday. The property was purchased by Russell McKee for \$4,340.

MRS. ALVIES' NIECE DIES AT PALMYRA

Miss Etta Baptist Passes Away—Remains to Be Brought Here for Burial This Afternoon

Mrs. A. J. Alvies of Pine street has received word of the death of her niece, Miss Etta Baptist, at her home in Palmyra. She was the daughter of the late Mr. and Mrs. Samuel Baptist, formerly of Morgan county. She is survived by three sisters: Mrs. Jess Standifer and Mrs. John Pratt of Palmyra, and Mrs. Thomas Gilman of Wagoner, Ill. Her parents, one sister and one brother, preceded her in death.

Funeral services will be held at 10 o'clock this morning from the M. E. church in Palmyra, after which the remains will be brought to this city. Interment will take place at 1 o'clock in Diamond Grove cemetery.

GAVE TWO THOUSAND TOWARD I. W. C. FUND

Start is Made for the \$100,000 Goal to Be Reached By July Third.

Impetus was given the campaign for the \$100,000 from Jacksonville and vicinity for Illinois Woman's College by two pledges of \$1,000 each announced yesterday. A woman belonging to a well known Morgan county family gave \$1,000 pledge and her brother took like action.

This sum will apply upon the quota that is expected to raise in Jacksonville and vicinity by midnight July 3. Representatives of the finance department of the board of education of the Methodist church are now interviewing prospects in this locality and in

the course of another ten days their efforts will be supplemented by those of local business men, and it is the purpose to make a thorough campaign.

Social Events

Farewell Party for Mrs. C. O. Swift

Mrs. C. O. Swift, who is to leave soon for Springfield to make her home, was given a farewell party at the First Baptist church last evening by her Sunday school class, the Ready Males. The affair was in charge of a committee headed by Miss May Edmonds. A banquet was held and Mrs. Swift received token of appreciation from the class.

Had Family Party.

A very pleasant social event took place at the home of E. T. Story near Nortonville Saturday evening. The family party was planned in honor of the 21st birthday of Miss Ada Story. J. W. Blimling and family of Jacksonville; Frank L. Story and family of the Vandavia Road, W. E. Story and family of Murrayville were among the relatives present, in addition to a number of friends. Excellent refreshments were served and the occasion was made memorable in many ways.

W. F. M. S. of Centenary Church Meets

A meeting of the Mary Melton division of the Woman's Foreign Missionary society of Centenary church was held Monday evening at the home of Miss Elizabeth Hunter, 803 South East street, with a large attendance of members. The program, which was in charge of Mrs. C. O. Bayha, was of more than usual interest.

The hostess was assisted by Mrs. T. C. Chumley. Mrs. Martha Hoover of this city and Mrs. William Keefe of Des Moines were guests.

Triangle Club Notice.

The Triangle club of Central Christian church will hold their business meeting at the church Tuesday afternoon at 3 o'clock, June 12. All members are requested to bring their program booklets.

Senior Prom a Brilliant Event.

Brown's orchestra furnished the music for the promenade given at Illinois college gymnasium Monday night for the senior class. The gymnasium had been very prettily decorated in national and class colors and presented a very handsome appearance.

The chaperons included President and Mrs. C. H. Rammelkamp, Professor and Mrs. J. G. Ames, Dr. and Mrs. R. F. Swift and Mr. and Mrs. T. P. Carter.

The committee on arrangements included Misses Kathleen Emory and Vivian Yeldell, Messrs Eugene H. Mellon, Harvey D. Gunn and James R. Hatfield.

Osage Orange Picnic Events.

Rainy weather made the annual Osage Orange picnic at Illinois college impossible. However, there were various indoor picnics, classes met by groups and alumni and friends of the college in the same way, so that while there was no general assemblage the anniversary was nevertheless observed.

Al Kratz was a city visitor from Concord yesterday.

PHI ALPHA WILL CELEBRATE TONIGHT

Seventy-eighth Anniversary of Illinois College Society to Be Observed in Fitting Manner This Evening

At 7 p. m. on Tuesday evening, June 12, Phi Alpha society will celebrate the 78th anniversary of its founding.

Those who shared in the Diamond Jubilee of 1920, will recall the company that responded to the summons of the society as the largest group of Illinois college men that ever assembled together. It is not this year expected to equal that assemblage in numbers, but it will be possible to make manifest to returning brothers that there has been no lessening of interest or vitality since the beginning of the new era.

It is the hope of the present membership that many will return to renew old associations and friendships and thereby give and receive the new inspiration that comes when youth and age are drawn together by interest in a common cause.

The musical part of the program will consist of a piano solo by Frank Collins, Jr., a present member, and a violin solo by William E. Krich, an honorary member of the society.

George W. Goveat of Quincy, Ill., will act as toastmaster. The present members who will respond to toast are Harvey Gunn, the president of the society and C. Ray Grunty, who has been elected president for next year. Some of the alumni members who will respond to toasts are: Charles M. Eames, J. T. Davis, Robert Ne-smith, Frank Rucker and Arthur W. Rides.

ELOISE KENNEDY WINS DUFFY PRIZE

Miss Eloise Kennedy, a student at Routh college, was the successful contestant in the essay writing on the "Art of Engraving," held under the auspices of M. Duffy of this city. The judges were Dean A. T. Westlake of the Horological department of Bradley Polytechnic Institute and his staff of teachers.

The prize, a diamond ring valued at \$35, will be awarded by Rev. Fr. P. F. Forman at the graduation exercises. Miss Kennedy's number was 19 in the contest. Each essay was given a number, and the names of the writers were retained by Mr. Duffy, not being known to the judges. The contest was open to students in all colleges and high schools of Morgan county.

ILLINOIS PHONE CO. ISSUES DIRECTORIES

4,700 New Telephone Books Handled by Local Post Office—Lists of Names and Numbers Revised and Made Permanent

Forty-seven hundred new telephone directories were mailed to subscribers of the Illinois Telephone Co., yesterday afternoon thru the local post office. The handling of this immense amount of mail matter was a big job and for a time the postal authorities were kept extremely busy. However, the work was done with speed and efficiency, so that thousands of subscribers in this city are expected to receive their directories today.

Employees of the phone company were busy all day yesterday getting the books ready for mailing. The envelopes were already addressed, and all that was required was to put in the books. That is itself a considerable task. The books that go to Murrayville, Manchester and Woodson are being sent to the exchanges at these points and will be distributed from there to the subscribers.

The numbers listed in the new directories are permanent, though more may be added as new telephone are installed. However, supplement sheets will be used to care for the additional phones. The new books are similar to the old ones. There are numbers of new names, and the change in the hundreds of numbers due to the installation of cable through the city has been noted.

Full Line of Parade For Friday is Given

Plans are now complete and given herewith for the full line of parade on next Friday in honor of the dedication of the Vocational training building.

After formation the parade will move east on West State street, north around the square and thence south to the main gate at the state hospital. On account of the long program the parade will move at 1 o'clock promptly and there will be no delay for any one who are late in line.

As the parade will be formed on West State street beginning at the Dunlap House and extending west to the city limits, the committee advises that there will positively be no room for spectators in autos in that district. All wishing to view the parade from cars are advised to park in the vicinity of the square and down South Main street as the streets in the formation district will be kept clear of spectators' cars.

Next below is given the order of parade with numbers assigned to each organization, and also a list showing the place of formation of each of the numbers and the marshals in charge of each section with the numbers comprising each section. Anyone interested should clip this formation from the paper as it will be the official lineup.

YOUNG WOMEN MADE LONG AUTOMOBILE TRIP

Miss Marceline Armstrong and Companions Covered More Than 1600 Miles by Auto From El Paso, Texas, to This City—Made Trip to Old Mexico.

Three young women have just completed an automobile trip which covered a distance of more than 1600 miles. The party included Miss Marceline Armstrong of this city, Miss Frances Crowl, a student at the Woman's college, and Miss Lila Holladay, who will enter the Woman's college this fall.

They started from Encino, N. Mexico and drove to El Paso, Tex., a distance of about 200 miles. There they took the train into old Mexico to Chihuahua and spent about four days sightseeing there.

Returning to El Paso the three, together with a Ford, a dog and a gun, began the 1600 mile journey to this city. They traveled thru New Mexico, Texas, Oklahoma, Kansas and Missouri and encountered good roads practically the entire distance excepting in the Panhandle district of Texas. Here they traveled thru deep mud for three and a half days, not allowing even washed out bridges to halt them on their journey northward.

With the exception of a few blow outs and other minor car troubles they made the long trip without mishap, covering the distance in about ten days. Their Ford car was so arranged that they had a comfortable bed at night. A cupboard attached to the side of the car carried their supplies and they cooked all their meals en route. Altogether it was a very enjoyable trip and one which the young women will long recall with special pleasure.

AUTOMOTIVE DEALERS IN REGULAR MEETING

Appoint Committee to Prepare Float for Parade—Will Work for Auto Races at Fourth of July Matinee and County Fair.

The Automotive Dealers Association held their regular monthly dinner last night at the Dunlap Hotel. The attendance was unusually large and the meeting was one of the best that has been held since the organization of the Association. Some important business was taken care of including the arranging for the association to have a float in the Jubilee Parade on June fifteenth. The dealers also agreed to do all they could to help in conveying the delegates to the jubilee and will do this by furnishing cars.

The committee for the decoration of the float is Oren Cook, L. F. O'Donnell, W. J. Huston and J. F. Claus.

A committee was also appointed to meet with the fair committee in the near future to see if automobile races could be arranged for the fair and for the Fourth of July matinee. This committee was George Lukeman, Chairman, Chester Joy and Louis Deppe. The Automotive Association has done much in putting this town on the map as a live progressive town and the pep that was displayed at last night's meeting is a guarantee that many more things benefiting Jacksonville will be accomplished in the future.

TABLET UNVEILED FOR DR. HAYDEN

Impressive Service Held at Illinois College Sunday Night—Memory of Deceased Dean of Faculty Honored

A tablet erected in memory of Dr. F. S. Hayden, so many years dean of the faculty of Illinois college, was unveiled with imposing ceremonies Sunday evening. The service took place at the Jones Memorial building, where a large audience was assembled.

The unveiling of the tablet was in connection with the annual vesper service held by the Y. M. C. A. and the Y. W. C. A. of the college. The address for the vesper service was given by Rev. Arthur W. Rider of Los Angeles. Afterward Dr. J. G. Ames read an appreciation of Dr. Hayden and an address was delivered by Rev. John M. Phillips of Manchester, N. H.

Before introducing Dr. Ames to preside, Dr. Rammelkamp mentioned as especially noteworthy the fact that alumni of the college have come from the western coast and the New England states to take part in the exercises of the evening.

Rev. Mr. Rider took as the basis for his sermon, "Loose the shoes from off thy feet for behold the ground upon which thou standest is holy ground."

The speaker urged his hearers not to fear solitude nor poverty and said that the desire to earn was laudable, if one retains an accurate knowledge of real values and relationships in life.

Dr. Ames in his appreciation of Dr. Hayden read passages from numerous letters from former students of the college who had been in Dr. Ames' classes, all breathing something of the love and esteem in which they held the dean.

Mr. Phillips in his tribute made special reference to the growing admiration that he had for Dr. Hayden after leaving Illinois college and attending theological seminary and then taking up the work of a pastor. He said that Dr. Hayden's vision, his clearness of thought, had for him, brushed away many mental cobwebs that had come to bother others who had not had the advantage of Dr. Hayden's friendship and intellectual leadership. His was a beautiful tribute phrased in the choicest and simplest in English.

An Appreciation

Dr. Ames said in part:

"We are gathered here tonight to unveil a bronze tablet erected to the memory of Dr. F. S. Hayden by the eager contributions of more than 400 of his former students. The inscription on the tablet is as follows: 'To the memory of Frederick Smith Hayden, D. D., Beloved Dean, Professor of Philosophy and Biblical Literature in Illinois College, 1901 to 1922. This tablet is erected as a testimonial of affection by the students who have felt the inspiring influence of his teachings and his character.'

"However, before I introduce the speaker of the evening, one of Dr. Hayden's students, and a contributor to this memorial, who will tell of Dr. Hayden from the students' standpoint, I wish to try to tell, however inadequately, my personal admiration and love as well as something of the regard for Dr. Hayden felt by every member of our faculty.

"Almost 23 years ago, when I came to Jacksonville a perfect stranger, and a very young man, it was Dr. Hayden, then pastor of the Congregational church, who, following the biblical injunction 'look me in' and made me feel at home. He was my first friend in a strange community and thruout the 22 years that I was permitted to know him and to love him, he continued to be as he was at the outset of our acquaintance my best friend. So long as my memory endures I can never forget those happy and to me profitable evenings spent in the parsonage on Kosciuszko street where we sat about the great masterpieces of literature and I listened with an admiration, which grew with the years, to his sympathetic and enlightening criticism, his nature, judgment and his unflinching opposition to all that he thought was wrong and harmful, and his equally courageous advocacy of what he considered right and true. But I learned to love him and to know him even more intimately as I played with him and shared his pleasures and joined in his laughter.

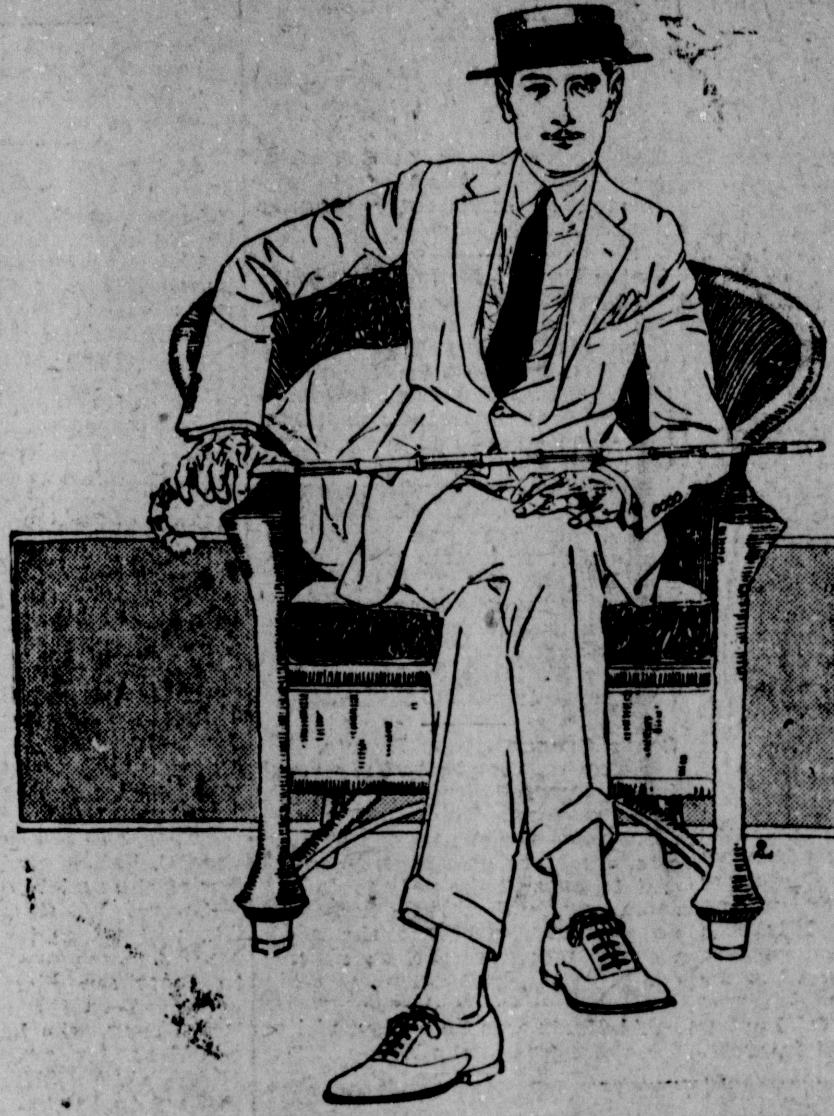

"I shall say no more of the influence of Dr. Hayden in the class room than this,—that upon the hundreds of students who were privileged to study under him, that influence was such as to insure to them a solid foundation upon which they could raise a structure of permanent faith in firm yet gentle Christian character like his own,—for he was the living embodiment of that which he taught. This tablet and those letters alike bear witness to the fact that many are the students who call his memory blessed."

BACK TO REUNION.

Henry Smith, I. C. '21, a loyal Sig is here for the reunion. Mr. Smith has been teaching in the high school at Lake Arthur, La., for the past three years.

Old and New Sandwiches for the Lunch Box

Bread for sandwiches should be not more than 24 hours old, close grained, and of such shape as to cut without waste. Regular sandwich loaves can be had if requested. In packing the lunch box, wrap each sandwich separately in wax paper to prevent drying out.

Queen Sandwich

Mince finely two parts of cooked chicken to one part of cooked tongue, and one part minced cooked mushrooms. Add seasoning and a little lemon juice, and place between thin slices of buttered "Ideal" bread.

Dainty Sandwiches for the Bridge Party

Whether it's an elaborate affair or just a little informal gathering of friends, the eternal question is "What Shall I Serve?" The following dainty and appetizing suggestions are delicious when "Ideal" bread is cut very thin, and in small squares or fancy shapes.

Ribbon Sandwich

Take five square, thin slices of buttered white bread. Between two slices place a filling made of salmon paste, between the next two slices a lettuce leaf, between the next two salmon paste again, and between the last two lettuce again. Press the bread together, then take a sharp knife, and cut crosswise into thin slices, each five slices of bread cut into six sandwiches.

Salmon paste is made by mashing canned salmon to a paste and adding a little salad dressing or lemon juice.

CLEVELAND DEFEATED YANKS IN CLOSE GAME

NEW YORK, June 11.—Cleveland defeated New York in a hotly contested game here today by a score of 4 to 3. Sherrod Smith, formerly of the Brooklyn Nationals, started his first game of the season and had the better of Pennock, the local left hander. Ruth was intentionally passed four times after he hit a double in his first time up.

Pile Up Lead in Early Innings That Boston Could Not Overcome—Collins and Fewster Field Brilliantly
BOSTON, June 11.—Chicago hit Quinn freely at the start today and piled up enough runs to win eventually, 5 to 4, although Boston began to pound Robertson's delivery toward the end. Triples by Devormer and Shanks in the last of the ninth placed a Boston player on third with two out, but McClellan threw out Harris for the final out. The two second basemen made brilliant plays.

NEW YORK, June 11.—Inter-
mittent bear selling and profit-
taking imparted considerable ir-
regularity in today's stock market
which was again featured by the
active buying of railroad shares,
particularly the low priced car-
riers. Two of the most impor-
tant developments of the day were
the heavy oversubscription of the
\$25,000,000 portion of the An-
derson loan offered in this country
and Lord Curzon's suggestion to
the French that they accept the
latest German reparations offer
as a basis of negotiations.

Further reports that oil pro-
duction was still exceeding con-
sumption had a depressing effect
on the oil shares. California Pe-
troleum was depressed to 106½
but a squeezing of the shorts sent
it back to 109½ where it was up
nearly a point on the day. Sin-
clair, Houston and Cosden also
were forced down.

Just before the close heavy pro-
fit taking set in in New York Cen-
tral, Atchafon and Reading all of
which closed at net losses of a
point or more.

Baldwin and American Locomo-
tive also were offered freely,
each losing about a point. Ship-
pings were heavy all day. Ameri-
can ship and commerce and Ameri-
can international corporation
established a new low record.
United States government bonds
moved within narrow limits most
of the liberties showing slight im-
provement.

FUNERAL OF BLUFFS RESIDENTS TODAY

Funeral services for Mrs. Fred Vannier who passed away at a sanitarium in Jacksonville Sunday will be held at the M. E. Church in town at 2 o'clock P. M. Tuesday. Rev. E. T. Palmer assisted by Rev. W. C. Heidenreich will have charge of the services.

Yellowstone Park next Monday morning!

DO YOU realize that you can leave Jacksonville next Friday evening and be in Yellowstone Park in time for luncheon Monday? "Go in Gardiner Gateway, Out Cody."

More geysers than in all the rest of the world together! Boiling springs! Mud Volcanoes! Petrified forests! Grand Canyon of the Yellowstone remarkable for gorgeous coloring! Lakes! Many large streams and waterfalls! Exceptional fishing! Greatest wild bird and animal preserve in the world—that is Yellowstone!

Only \$56.50 Round Trip from Jacksonville to Yellowstone Park and Colorado, June to September.

The tour through Yellowstone Park is, of course, additional—\$54, if you stay at the hotels; \$45, at the camps. Write, please, for literature and detailed information. I'll furnish both, very gladly and very promptly. Ask for booklet "R."

W. H. Ude, A. G. P. A., John B. Hinkson, T. P. A., 226 W. Adams St., Chicago, Ill.

Mt. Rainier National Park

"When you look upon Mt. Rainier, the monarch of the Pacific Northwest, and see the gold throned sunset cast its gorgeous mantle over the snow-draped shoulders of the mountain, it impresses itself upon you as the perfect altar height of God in North America."

"It is nearly three miles high and its base is larger than Massachusetts. There are loftier peaks than Rainier, but few more impressive, unique and solitary. It has a vastness and predominance which will not allow one to forget it for a moment."—Rev. Dr. Cadman.

Delightful Paradise Inn on the mountain is only five hours by auto from Tacoma or Seattle. It is the base for winter sports in summer—exploring glaciers, tobogganing, trail trips to the summit.

Very Low Summer Fares

Write You will find our "Pacific Northwest and Alaska" book for free. It is helpful in planning this wonderful vacation. It tells Booklet also how to visit Denver, Colorado Springs, Salt Lake City en route without extra cost—and make low priced side trips to Rocky Mountain Yellowstone and Crater Lake National Parks.

Go by the splendid Union Pacific trains. 1300 miles of beautiful scenery along the old Oregon trail—200 miles along the matchless Columbia River.

For information, ask your Local Ticket Agent, or J. L. Carney, Gen'l Agent, U. P. System, 2053 Railway Exchange Bldg., 612 Olive St., St. Louis

HOME FROM FLORIDA Mrs. J. Parker Doan, daughter Anna Dewey, and son, Francis, arrived in the city yesterday from Miami, Fla., where they have spent the past two years. The trip home was made by auto, via Washington and Indianapolis.

Mrs. Doan stated the roads thru Indiana and Illinois were all quite slick and travelling was difficult.

TO VISIT NORTHWEST Mrs. Lena Carter expects to leave soon for Glacier National Park, Mont. She will later go to Devil's Lake, N. D., where she will visit relatives.

PASSAVANT NOTES Dr. W. B. Dalton was discharged from the hospital yesterday and returned to his home in Scottville. Mrs. Dalton came to this city to get him.

Mrs. George Metzger of Winchester visited friends in this city Monday.

STOP THAT ACHE! Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many Jacksonville people have used them and know how effective they are. Here's a Jacksonville case.

Mrs. S. M. Hussey, 534 S. East St., says: "I had a dull, dragging ache through the small of my back. I felt miserable and languid most of the time and my housework was burdensome. My kidneys acted irregularly and caused annoyance. I had dizzy spells, too. I heard Doan's Kidney Pills were good for this trouble so I got some at Shreve's Drug Store and began using them. It didn't take long for this fine old remedy to have me feeling better. I haven't used a kidney remedy for some time so my cure has been a lasting one."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hussey had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

At graduation time your friends expect your photograph.

CLASS DAY CELEBRATED AT ILLINOIS COLLEGE

ain Interferes with Outdoor Exercises—Many Alumni Present

The Class Day exercises of the Class of 1923 of Illinois college were held in Jones Chapel yesterday morning with a good number of alumni and friends present.

Owing to the dampness of the weather the platform built on the campus for the occasion had to be left unused and the day was celebrated indoors for the first time in several years.

The program followed the usual line for such an occasion with many jests at the expense of the faculty and fellow students.

Following the organ procession-al by Frank Collins, Vern Hauden read the class poem. Following this the class history was read by Miss Alma Schumann. Miss Katherine Parker then rendered two songs, "Homing," and "In Italy," with Mr. Collins as accompanist. Miss Celestine Hemphill then read the last will and testament of the class. The concluding number on the program was the class prophecy, by Roger Carter. In the prophecy Mr. Carter proved himself to have an excellent insight in the pet characteristics of his classmates and de-

GAINS 18 POUNDS BY USING TANLAC

Sullivan Declares it Ended Stomach Trouble Entirely—Feeling Fine Now.

"My case of stomach trouble was so bad that I bought twelve bottles of Tanlac, but when I finished taking the ninth one I had gained eighteen pounds and felt like a man made all over again," so declared John E. Sullivan, 5517 Columbia Terrace, Peoria, Ill., recently.

"I nearly always felt sick at the stomach and suffered terribly from indigestion. Pains and headaches followed my meals, I lost weight continually, and felt completely undone.

"A friend of mine put me on to Tanlac and at that time I was going down grade in a hurry. But Tanlac soon had me on the upgrade and now I am feeling fine. It has been worth many times its cost to me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.
